# HARMONY BRAND GUIDELINES

Project Manager Claire Mulrone

Creative Director Adrian Hickey

Interactive Designers Chloe Mooney

Hollie McCartney

Lucy Fleming

## Logo

This is the main logo for Harmony, encompassing the first and last letter of the brand name. The black logo works best when placed against white with minimal illustations. The white alernate works best when overlayed over one of the 5 colours of wellbeing, or on top of product photograhy.

#### **Illustration Overlays**

These background illustrations work best behind logos and products when set at 17% opacity.
